Hello, the kids want to bring their own lunch today as they're mad on ending poverty for children all over the world. Hope that's ok.

Mum, Friday 17th October

cut along the dotted line please

Printed on recycled paper.

How your Big School Dinner could help children all over the world to have theirs.

Antonio Olmos/ActionAid

Amelía Méndez, aged 7 with her baby brother, Tojchoc Grande, Guatemala.

It's estimated that 40% of children in Guatemala suffer from malnutrition. Many children at the Vergel 1 school in Ixtan don't get breakfast and used to study on an empty stomach – until ActionAid and its local partner ACSS helped them benefit from a government lunch scheme by building six school kitchens, which now help to feed over 1,000 children.

As well as working directly with poor communities, your school

dinner event could also help us put pressure on local and national governments to provide children with school meals and access to free education.

2008**

Hold a 'school dinner' with friends and colleagues, or ask them to bring in a packed lunch - then donate everything you would have spent to ActionAid. Whether at work, church, school or home, it couldn't be easier. Your 'dinner money' will help some of the world's poorest children get the food and education they deserve.

Hold a Big School Dinner.

And help children have theirs.
