The above named fundraiser is authorised to raise funds for Vicky's Water Project in aid of ActionAid. All donations will be treated as a gift and used for this project. If the fundraiser doesn't complete the Great North Run and you would like your sponsorship returned to you rather than go towards this project, please indicate with a cross in the box marked 'X'.

Using Gift Aid* means that for every pound you give, we get an extra 28 pence from the Inland Revenue, helping your donation go further.

£100 becomes £128 as long as donations are made through Gift Aid. Imagine what a difference that could make, and it doesn't cost you a thing. To qualify for Gift Aid, you must be an individual and what you pay in income tax or capital gains tax must at least equal the amount we will claim in the tax year. We need to have the full home address with postcode in order to process the claim and we can only gift aid cheques for £20 or more due to the cost of administration.

*Gift Aid is extremely valuable to ActionAid as a charity but unfortunately it is not added to individual fundraising targets.
